Publishable summary

The deliverable report aims to provide guidelines and recommendations for the exploitation of project results. It describes the strategy for how outputs generated during the project can create impact during and/or after funding and can be used either by the project partners or by other stakeholders. This deliverable report also highlights the effect of the project's results and outcomes on society as a whole, as well as on specific audiences, demonstrating how EU funding contributes to tackling societal challenges.

The deliverable report is structured as follows; Chapter 1 provides an introduction and general information on the Exploitation Plan; Chapter 2 provides the methodological approach of the Exploitation Plan to ensure effective and comprehensive outcomes; Chapter 3 identifies potential users of the results and exploitation so far by the consortium; Chapter 4 provides general conclusions.
